CIRCULAR

Subject: Call for Research Proposals on Non-Communicable Diseases

The Multidisciplinary Research Unit (MRU) invites research proposals from faculty members of MMC&RI in the area of non-communicable diseases, including but not limited to: Metabolic disorders, Autoimmune disease, Inborn errors of metabolism, Cancer, Diabetes, Cardiovascular diseases. This initiative aims to promote and coordinate basic, applied, and clinical research within the institute.

All submitted proposals will be evaluated by the Research Advisory Committee (RAC) of MRU. Interested faculty are requested to submit their research proposals in the prescribed format (Annexure I) attached with this circular.

Submission Guidelines:

Budget Limit: **Up to ₹3 Lakhs**

Project Duration: **2 years**

Deadline for Submission: **20.12.2025**

Eligible Expenditure: The grant is limited to the procurement of kits/consumables only. Salary, honorarium, and equipment/instrument purchase are not covered.

Preference will be given to: Projects utilizing MRU facility

Proposals with multi-department collaboration

Proposal Submission Instructions:

Email the softcopy to mrummcri@gmail.com

Recommended Resource:

Faculty may explore ICMR's "MEDICAL SHODHGANGA", a national repository of biomedical research topics, to develop outcome-oriented proposals.
